

Rate Schedule (06-01-2026)

	First 1/2 hour minimum		subsequent 15 min block
Rates	\$216.67		\$54.45
Qualified discount *	\$195.00		\$49.00

75% of single-issue service calls are rectified in under an hour.

Lists are still encouraged as continuing rates are lower than the initial rate.

Qualified discount= payment at the time service is rendered in **cash or check. (10% discount for immediate payment at the time of service) Make checks payable to **Morris Dental Services***

* 7% Discount from standard rates with use of CC for immediate payment.

* 10% discount from standard rates when CC is on file. We use Square mobile POS. Visa, Mastercard, American Express, Discover.

-there are zero hidden fees (travel, emergency, etc.).

-Ask about 20% discount for full day (7hrs).

-You will be instructed (if you so desire) based on your practice's specific needs on the necessary maintenance and parts (to stock) to nearly eliminate down time. I encourage my clients to allow me to instruct them on how to service most of their own equipment. Ultimately reducing breakdowns and unnecessary service calls and loss of production. The average dentist is worth \$9 per minute in production.
